| Expected Graduation: May 2026 |
University of Louisiana at Lafayette

PROFILE

Motivated engineering student seeking an internship opportunity to apply technical skills and gain hands on experience in mechanical engineering. Eager to contribute to innovative projects, collaborate with diverse teams, and further develop problem-solving abilities in a professional environment. Open to relocating for the right opportunity.

WORK EXPERIENCE

Sweet Caroline Boutique

Sales Associate August 2023 - present

Duties include managing inventory, coordinating with suppliers, and maintaining a visually appealing store layout to enhance the customer experience. Resolve customer concerns, ensuring smooth operations, and cultivating a positive shopping environment.

Atmos Energy

Engineering Internship May 2024 - August 2024

Collaborated with engineering teams on pipeline projects and infrastructure improvements. Assisted in the design and development of engineering projects. Participated in training sessions, workshops, and team meetings to gain a deeper understanding of the field.

Walt Disney World Resort

Disney College Program June 2023 - August 2023

Operated monorail trains in a safety critical environment, transported guests, and boarded passengers. Kept guest satisfied, while also moving people to and from the parks efficiently.
